#### OPMERKINGEN

|      |   |                                    |
|------|---|------------------------------------|
| +    | = | uitgerust met airco                |
| -    | = | geen airco                         |
| +/-  | = | met/zonder airco                   |
| AK   | = | automatisch airco systeem          |
| CM   | = | met afdekrooster                   |
| DSOF | = | OE rond gevormd filter             |
| FF   | = | filter + frame                     |
| FP   | = | franse productie                   |
| FWA  | = | filter met adapter                 |
| JP   | = | japanse productie                  |
| k2   | = | kit 2 stuks                        |
| k3   | = | kit 3 stuks                        |
| k6   | = | kit 6 stuks                        |
| KB   | = | airco systeem type BEHR            |
| KD   | = | airco systeem type DELPHI          |
| KV   | = | airco systeem type VALEO           |
| MK   | = | manuele airco                      |
| OE   | = | voor origineel nummer              |
| PF   | = | voor-filter                        |
| SP   | = | enkel filter                       |
| UP   | = | universeel paneel                  |
| WOS  | = | alleen met originele ondersteuning |
